Mohammad Umran Rahman has been awarded three scholarships

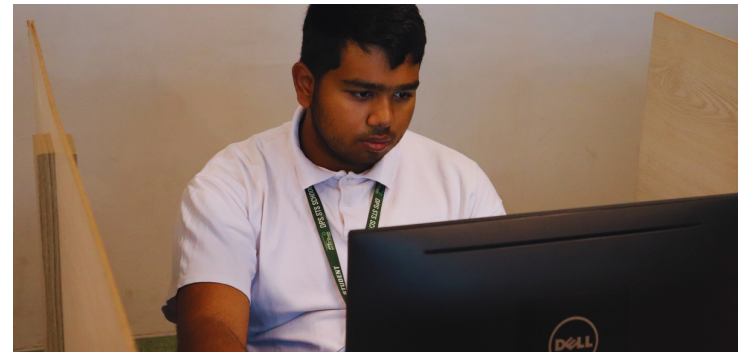

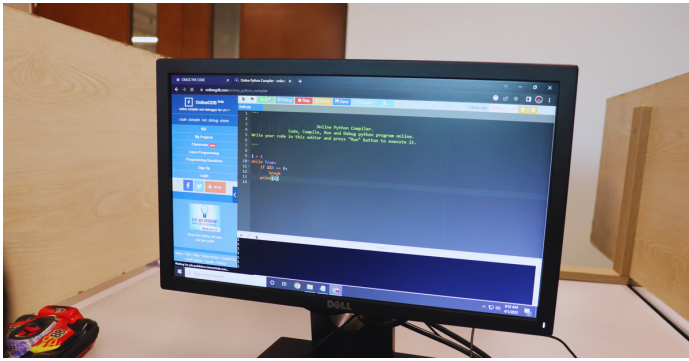

ADMISSION GOING ON
<https://dpsstdhaka.org/>

We are ecstatic to announce that our student Mohammad Umran Rahman of Grade 12C has been awarded scholarships from three different universities. He received a scholarship from the University of Alberta worth 16,000 CAD. He also received Outstanding International Student Scholarship from the University of British Columbia which is 10,000 CAD for the first year. Finally, he received an entrance scholarship for the first year from Simon Fraser University as well, which is also worth 10,000 CAD. We are so very proud of him!

We are very happy to see that DPS STS students continue to receive such scholarships, which is a testament to the efforts of the DPS STS teachers, who work tirelessly to ensure that the students achieve the most excellent results in academics. We wish Umran all the success in the world in all his future endeavours.

DPS STS successfully holds coding contest 'Crack the Code'

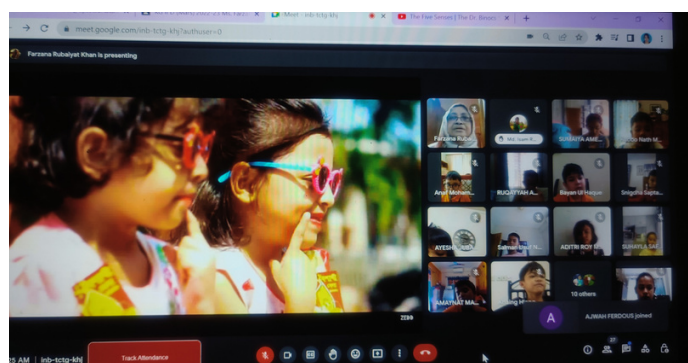

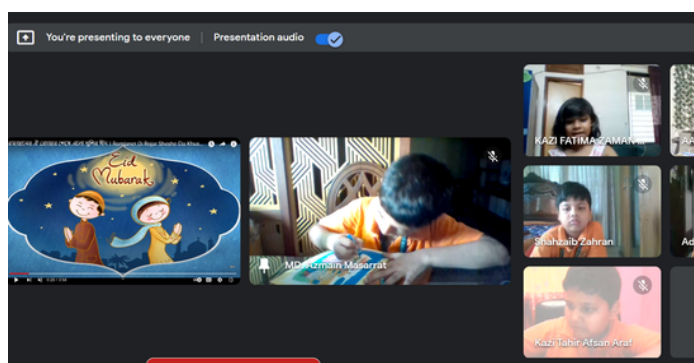

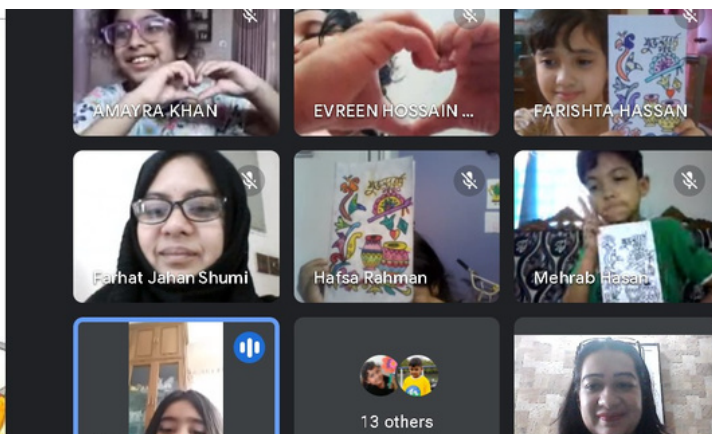

The DPS STS School Dhaka organized a four-day inter-school coding competition recently, titled “Crack the Code @ DPS STS,” at both the senior and junior campuses of DPS STS. To prepare the participants, DPS STS teachers organised a three-day on-campus training on Scratch and Python Programming from 27th to 29th March 2023, which was followed by a quiz competition on Saturday, 1st April 2023.

A total of 173 students from both DPS STS and schools such as Summerfield International School, Aga Khan Academy Dhaka, Playpen, and Oxford International School registered for the event. The competition was divided into two rounds; the first round, which has already taken place, is a set of Python coding problems to be solved within a specific time in an online quiz format. And the final round consists of scenario-based game development through Scratch or Python Programming. The top performers from the first round will participate in the final round.

After a thorough evaluation by the judges, the winners of the competition will be announced on 13th April 2023. The winners’ certificates and crest will be presented on 4th May 2023. Here is a highlight of the competition.

APRIL 2023

KG II's students celebrate Pohela Boishakh and Eid-ul-Fitr

The DPS STS KG II students participated in a lovely activity of preparing cards for Pohela Boishakh and Eid-ul-Fitr and presented them to their teachers virtually on 6th April 2023. We are so proud of our little designers!

Fauzia Zabin achieves a certificate from Eblity

We are very proud to announce that our Class Teacher for KG II, Ms Fauzia Zabin, has recently achieved a certificate for completing the session on 'How School Leaders can Improve Outcomes for Children with Challenges!' from Eblity, which is an educational institute in India that conducts practical, interactive and structured workshops for professionals and parents who are caring for children facing challenges.

We are very proud of Ms Fauzia, for continuing to strive for excellence in her career by regularly completing these certified training sessions.

CERTIFICATE OF PARTICIPATION

This certificate is presented to
FAUZIA ZABIN

For attending the Eblity training session on

How School Leaders can Improve Outcomes for Children with Challenges

Conducted on 26 April 2023
