DPS STS Football Team's successes in August

On 6th August 2023, the DPS STS Under-19 Football Team won the championship on their home ground at the DPS STS Inter-School Football Tournament 2023, while the Under-17 Team secured the Runners-Up trophy.

In the recently concluded Hurdco Football Tournament 2023, the DPS STS Football Team reached the final round. They conceded to Scholastica in a tearjerking tiebreaker (4-5) in the final, however, DPS STS student Raihanuzzan Soumya received the MVP (Most Valuable Player) from the judges and spectators.

Our warmest congratulations to Coach Aminul Islam and the entire sports department of the school for their dedication and effort in training the teams for their outstanding consecutive accomplishments. Here are some glimpses of our students' sports achievements:

Promotional Event of DPS Economics and Business Summit held

We are excited to share that the promotional event on the DPS STS School Dhaka's Economics and Business Summit 2023 was held successfully on 28th August 2023, from 11:30 am to 1:00 pm at the Senior School Auditorium. Over 500 students from Grades 9-12 registered for the promotional event, which is a record in and of itself.

The dates for the fourth iteration of the DPS Economics and Business Summit 2023 are 15th and 16th September 2023. From the promotional event that was held, it can be safely said, that it will be one of the biggest high school events in Bangladesh this year. The event started with a presentation on what the DPS Economics and Business Summit will feature this year. Members of the organizing team of the summit presented the qualities they are looking for from the participants this year, and the benefits of networking they will get through this summit. A Q&A session with the core organizing team of the summit was held following the presentation, in which they answered questions regarding the four committee sessions to be featured in the summit; Macroeconomics, Microeconomics, Business Fundamentals, and Shark Tank Simulator. From the questions, it could be gauged that the students were greatly interested in the Shark Tank Simulator, which will feature judges, who will invest in the winning ideas.

As a special surprise from the organizing team, the massively popular young singer Dameer performed a few famous songs of his for the attendees of the event. Dameer is so popular among high school students, that the auditorium is filled to the maximum capacity with not only the event attendees but other students from the school, who came to just listen to Dameer. Naturally, he received the loudest cheers on that day.

Let us see what more the organizing team of the DPS Economics and Business Summit 2023 has in store for the participants this year.

Extempore speech competition held for Grades 5 to 8

On the 22nd and 23rd of August 2023, the Senior School grounds buzzed with excitement as students from Grades 5 to 8 took centre stage at the auditorium to deliver speeches in an intra-school extempore speech competition. The competition's goal was crystal clear – to nurture the ability to think on one's feet, organize thoughts on the fly, and communicate them with power and persuasion. From analyzing complex societal issues to passionately advocating for change, these young orators showcased their unyielding determination to make their voices heard.

The thrill of the event was heightened by the spontaneous topic selection – imagine picking up a chit with a topic, having mere minutes to prepare, and then stepping onto the stage to leave the audience awe-inspired. The tension was palpable during the competition, the anticipation was electric, and the delivery was nothing short of spectacular.

Of course, let's not forget about the incredible panel of judges – Head of the Lower-Secondary Section Ms Jesmin Sultana, Dean of Academics for Grades 5-8 Mr Ilham Adnan Alam, and the In-Charge of English in the Lower Secondary Section Munif Khan - as they assessed not just the content, but the delivery, the structure, the body language, and the overall impact.

And now, let's give a thunderous round of applause to the stars of the show – the confident communicators who left an indelible mark on the hearts and minds of everyone present:

Grade 5:

- 1st position - Aratrika Arya (5E)
- 2nd position - Abdullah Tayeeb Ayat (5F)
- 3rd position - Ali Ahater Azaan (5D)

Dr Shivananda CS as Panelist at Cambridge Education Conclave

We are delighted to announce that Cambridge University Press and Assessment, a distinguished department of the renowned University of Cambridge, has extended its heartfelt gratitude to our esteemed Principal, Dr Shivananda CS, for gracing the Cambridge Education Conclave 2023 on 23rd August 2023 in Dhaka as a panelist.

Primary Section's students conduct Science activities

We are so glad to share some glimpses of our Primary Section's students, from Grades 1, 3, and 4, conducting some scientific activities, such as observing plants and fish or making a small presentation on human skeletons. Here at the DPS STS School Dhaka, we like to address young learners of Science as "Young Scientists."

The Grade 1 Young Scientists are learning about different animal habitats. They visited the school's garden and the aquarium to identify different habitats. Whereas, Grade 3 Young Scientists are learning about Human Skeleton. They made a skeleton model by using paper, glue, cotton buds and toothpicks. The Young Scientist in Grade 4 has learned about the Life cycle of a flowering plant. They made a life cycle model with paper.

Orientation by Pastoral Counselor for Primary Section students

As we have begun a new Academic Session (2023-2024) very recently, it is important for the students to mentally prepare themselves for it. In order to prepare them, Ms Tahneena Mehreinn, Pastoral Counselor of the Junior Campus of the DPS STS School Dhaka, conducted interactive counselling sessions with the students of Grades 1-4 on four consecutive days from Sunday-Wednesday, 6th-9th August 2023. The sessions were conducted in the Auditorium of the DPS STS Junior School Campus.

The sessions were attended by around 750 students of Grades 1-4, and they learnt about their responsibilities to maintain a harmonious environment in school, and how they can play a more active role in preventing undesired incidences, like bullying and harassment. The lessons were given through different activities like role-play, brainstorming, etc. The students were also informed about the available psychological services in school.

The teachers of the Primary Section, Grade Coordinators, the Head of the Primary Section Ms Syeda Rumana Hossain, and the Head of the DPS STS Junior School Ms Sumona Karim also attended the sessions.

DPS STS welcomes new students

The Senior School campus of the DPS STS School Dhaka organized a small introduction ceremony for the newly admitted students in the Academic Session 2023-2024. The new students of Grades 5-8 were welcomed at a small meet and greet held on 2nd August 2023 from 11:35 am to 12:15 pm - the lunch period for the Lower-Secondary Section (Grades 5-8). Grades 9-12, or the Upper-Secondary Section's new students had their welcome event on 6th August 2023 from 12:15 pm to 12:55 pm.

During the event, class teachers warmly welcomed the new students, and introduced them to the teachers from each department - English, Bangla, Mathematics, Science, Social Science, Computer Science, Music, Art, Dance, and Sports. The students were also introduced to the grade coordinators, and they were briefed on the overall structure of organization among the teachers, and the heads of the departments and sections, as well as the communication chain for various kinds of concerns.

Fostering Collaboration for Human Resource Excellence: Insights from the HR Coordination Meeting at STS Capital Ltd.

In the spirit of unity and growth, the HR professionals from STS Capital Ltd.'s subsidiary concerns - Delhi Public School, Universal College Bangladesh, International School Dhaka, and Glenrich International School - converged at the Head Office of the STS Group for a dynamic Human Resource (HR) Coordination Meeting on 5th August 2023. Led by the insightful Ms Shaharia Sultana Ria, Head of HR at the STS Group, the session delved into key topics that shape the collective HR journey in all the organizations of the group of companies. The esteemed presence of the STS Group Chief Executive Officer Mr Manas Singh, this gathering was a testament to the commitment to synergy and growth.

The meeting kickstarted with an invigorating discussion on the alignment of the STS Group's HR strategies with our corporate vision. Each organization's HR department showcased its upcoming HR goals and objectives. The exchange of perspectives sheds light on opportunities for cross-collaboration, enabling them to elevate their performance and exceed expectations across the board. The conversation on HR policies was very interactive.

The meeting concluded with an open forum, fostering a free exchange of ideas, concerns, and suggestions. This platform for dialogue enriched the collective knowledge and understanding of the HR representatives.

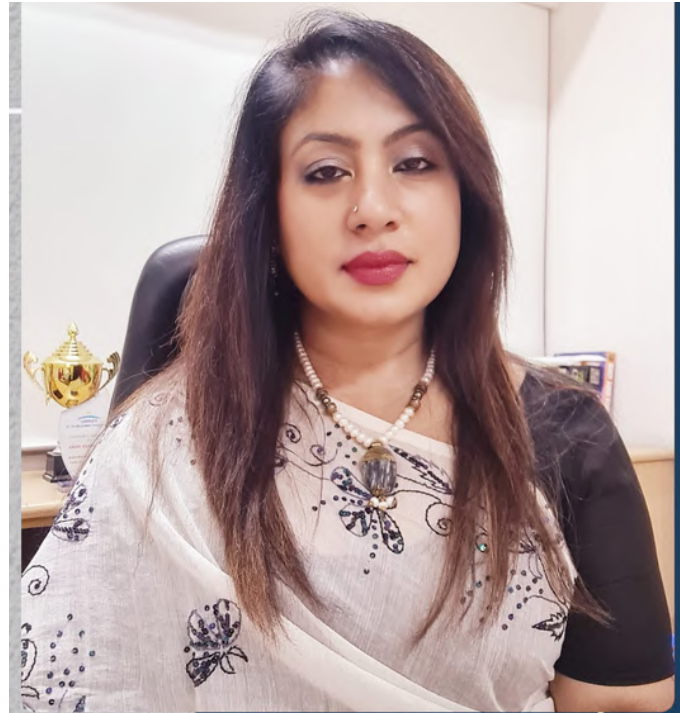

Regarding the meeting, the Assistant Manager of HR at the DPS STS School Dhaka said: "As we reflect on the outcomes of this HR Coordination Meeting, it's evident that our collective efforts are driving us towards a future of excellence and innovation. STS Capital Ltd. remains committed to nurturing a workplace where collaboration, growth, and employee well-being take centre stage."
